

About Canyon Optimist Soccer Club (COSC) "Canyon Crossfire"

Canyon Optimist Soccer Club (COSC), formally Vallivue Youth Soccer and Caldwell Optimist Youth Soccer, is an all-volunteer, non-profit organization dedicated to providing Caldwell, Nampa and the surrounding Treasure Valley with a low-cost soccer program for kids. Our goal is to provide programs where kids have the opportunity to learn skills, but most importantly, to have fun playing soccer! For more information on how you can help, please contact info@canyonoptimistsoccer.com.

Registrations

Fall Season: registrations begin in May and end as early as the middle of July for U11-U18.

Spring Season: registrations begin in November and end as early as the middle of January.

Visit www.canyonoptimistsoccer.com for more information.

What Age Can My Child Play & Where Are The Games Played?

COSC accepts players ages 4 - 18. Children under the age of ten play on our interclub teams. All games (1 game per week) are played on Saturdays at Brothers Park in Caldwell.

Children ages 10 – 18 represent COSC in the IYSA District III league and compete against other teams throughout the Treasure Valley and beyond.

Home games for the older kids (age 10-18) are played at Brothers Park in Caldwell and away games are played throughout the District III territory. Typically one game is played per week. IYSA works to schedule games on Saturdays, but weekday games can also be scheduled depending upon field availability.

Where Are Practices Held?

Practices are typically held within the Caldwell and/or Vallivue school boundaries. Our coaches work to schedule practices at a location where the largest concentration of players live or in a central location like Brothers Park.

How Much Does It Cost To Play?

Canyon Optimist Soccer Club has two seasons; our fall season typically runs from September – October and our spring season is played from March – May.

Children whose age qualifies them to play on our under 6 and under 8 teams pay just \$45.00 for each season played (includes team jersey).

Children whose age qualifies them to play on our under 10 teams pay just \$55.00 for each season played (includes team jersey).

Players whose age qualifies them to play on our under 11 – under 18 teams pay just \$60.00 for each season played plus a one-time \$20.00 uniform fee for two jerseys, one short and socks. (New uniforms are only required if the style becomes unavailable or until a new size is required.)

Do you have tryouts?

We do not hold tryouts. All players who are registered before the season deadlines will play as long as there are enough players to make a team for the appropriate division. We do hold skills assessments for the U11 and older players to accurately place players with like skill sets together.
