Dear IYSA staff and volunteers,

On behalf of US Youth Soccer, I would like to express my appreciation to all IYSA staff and volunteers for being a valued member of the US Youth Soccer family. In 2009, Idaho Youth Soccer Association has seen extraordinary growth in services offered to your members. Free coaching and parent education materials and free Youth Modules courses are just two examples of IYSA member benefits that separate it from the other organizations.

IYSA has also done a great job at bringing more US Youth Soccer events to the Gem State. Moscow hosted the US Youth Soccer ODP Girls Regional Camp in June. Middleton hosted the Kohl's American Cup in October. Boise graciously hosted the 2009 US Youth Soccer Region IV TOPSoccer Symposium in April (this was my first time to Boise and I must say, the Idaho hospitality made it well worth the trip from Frisco, Texas). What an exciting opportunity for all the players, parents and coaches involved in TOPSoccer! I look forward to coming back for the 2011 US Youth Soccer Far West Regional Championships!

If hosting numerous events was not enough, IYSA staff still found time to provide soccer balls to the kids and free coaching courses to adults in various communities. Through a grant from US Youth Soccer's Soccer Across America program, IYSA has been able to extend the game to every last child from the northern most tip of the State to the extreme south east.

Lastly, I would be remiss if I did not thank every last IYSA volunteer for being excellent soccer ambassadors. Your hard work and dedication have not gone unnoticed. You truly make soccer the Game for ALL Kids!

The 2008-2009 season was a great year for all 15,000 members of IYSA and I look forward to see what 2010 has in store!

Yours in soccer,
